

# FIRST ANNUAL SEAoNY/AIA SCHOLARSHIP FUND GOLF OUTING

**AIA New York Chapter**

The Founding Chapter of  
The American Institute of Architects

MONDAY, JULY 31<sup>ST</sup>

Please join us Monday, July 31st for a wonderful day on the links. Come on out and improve your handicap, get a sun-tan or just mingle with colleagues, all while supporting a great cause.

## MAHOPAC GOLF CLUB

Situated majestically on the beautiful rolling countryside of southern Putnam County, Mahopac Golf Club is among the oldest golf clubs in the US. Mahopac was founded in 1898 only ten years after the game was introduced to America. Like the game of golf, the club has advanced over the last century. Recently, the golf course went through a major renovation designed by noted architect, Ken Dye. Modernizing the older layout without harming its original feel, it is considered by many to be one of the most beautiful and challenging golf courses in the area.

For Directions to Mahopac Golf Club  
please visit [www.mahopacgolfclub.com](http://www.mahopacgolfclub.com)

## SEAoNY/AIA SCHOLARSHIP FUND

Beginning this year SEAoNY and AIA New York Chapter will award an annual scholarship to a deserving undergraduate engineering/architectural student in their sophomore year from a New York College or University as chosen by this year's Honorary SEAoNY Member. The student will demonstrate an outstanding drive and passion for their studies. He or she will be the type of individual that will ultimately go on to represent our industry with pride and dignity and will become a leader in promoting their profession. We hope this scholarship will entice our future leaders to continue to pursue a rewarding career in the fields of structural engineering and architecture. This year's Honorary Member will be announced at SEAoNY's annual meeting in September and the selected scholarship recipient will be present to receive their award.
