

FIFTH ANNUAL SEAoNY SCHOLARSHIP GOLF OUTING

Please join us Monday, June 21st for a wonderful day on the links. Come on out and improve your handicap, get some sun or just mingle with colleagues, all while supporting a great cause.

MAHOPAC GOLF CLUB

Situated majestically on the beautiful rolling countryside of southern Putnam County, Mahopac Golf Club is among the oldest golf clubs in the US. Mahopac was founded in 1898 only ten years after the game was introduced to America. Like the game of golf, the club has advanced over the last century. Recently, the golf course went through a major renovation designed by noted architect, Ken Dye. Modernizing the older layout without harming its original feel, it is considered by many to be one of the most beautiful and challenging golf courses in the area.

SEAoNY SCHOLARSHIP GOLF OUTING

SEAoNY awards an annual scholarship to two deserving undergraduate engineering students from a New York college or university as chosen by each year's Honorary SEAoNY Member. Last year our winners were Adrian Wright from Columbia University and Neal Kwong from Cooper Union / University of California Berkeley as selected by Honorary Member Ed DePaola.

In addition, SEAoNY awarded a scholarship to graduating high school senior, Lonzel Trevon McNeil from the Urban Assembly School for Design and Construction. Lonzel exemplifies what SEAoNY looks for in awarding scholarships to Urban Assembly students. His application essay was a moving example of a student who worked hard and persevered throughout high school. He is now studying engineering at DePauw University in Indiana. SEAoNY continues to support education for engineering students at both the college and high school levels. Without the support of the many who attend the golf outing, none of this would be possible.

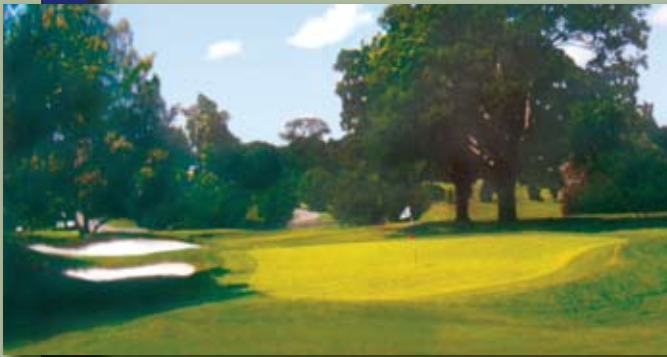

Scholarship winner, Lonzel McNeil

SCHEDULE OF EVENTS

MONDAY, JUNE 21ST, 2010
