

SECOND ANNUAL SEAoNY/AIA SCHOLARSHIP FUND GOLF OUTING

Please join us Monday, June 25th for a wonderful day on the links. Come on out and improve your handicap, get a sun-tan or just mingle with colleagues, all while supporting a great cause.

MAHOPAC GOLF CLUB

Situated majestically on the beautiful rolling countryside of southern Putnam County, Mahopac Golf Club is among the oldest golf clubs in the US. Mahopac was founded in 1898 only ten years after the game was introduced to America. Like the game of golf, the club has advanced over the last century. Recently, the golf course went through a major renovation designed by noted architect, Ken Dye. Modernizing the older layout without harming its original feel, it is considered by many to be one of the most beautiful and challenging golf courses in the area.

MONDAY, JUNE 25TH

SEAoNY/AIA SCHOLARSHIP FUND

SEAoNY and AIA New York Chapter awards an annual scholarship to a deserving undergraduate engineering/architectural student in their sophomore year from a New York College or University as chosen by each year's Honorary SEAoNY Member. In addition, we will award a scholarship to a student from the Urban Assembly School of Design & Construction, a NY City High School geared towards our industry. They will be the type of individuals that will ultimately go on to represent our industry with pride and dignity and will become leaders in promoting their profession. We hope these scholarships will entice our future leaders to continue to pursue a rewarding career in the fields of structural engineering and architecture. This year's Honorary Member will present the scholarships at SEAoNY's annual meeting in September.

SEAoNY President, Robert Murray and Last Years Recipient, Caitlin Slattery.
